We will perform the Skits at the end of the day for your family and friends.

Audition Techniques July 6 for Teens 6th – 12th grade.

Wednesday 9:30am – 1:30pm \$35

"So you want to be in a show?" Learn how to 'wow' your potential director with a great audition. Select and work on a monologue and/ or a song to use for auditions (many samples will be provided or you may bring your own.) Get professional feedback on how to make it the best for you. See how to put together a headshot and acting resume (even if you don't have a list of previous shows!) Know what to expect at a call back and what they are looking for from you. Once you get cast in that part, find out what you need to do so that you get cast again in the next show! Learn all of these things while having fun, playing some theater games and practicing the art of your audition for the class.
